JOHNSON MOTORS

Waukegan, Illinois, U.S.A.

All Prices Subject to Change Without Notice

How to Order Parts

- 1st Give MOTOR SERIAL NUMBER AND MODEL, which will be found on cover plate of magneto.
- 2nd Look in list for part number which will show name and price per piece.
- 3rd Write order plainly, giving the motor number, part number, name of part and price per piece.
- 4th Show to whom parts are to be shipped.
- 5th To insure quick service, ALWAYS INCLUDE REMITTANCE WITH POSTAGE TO COVER CARRYING CHARGES AND INSURANCE. Stamps are accepted as cash up to 25 cents. A minimum charge of 25¢ will be made on all orders amounting to less than that amount. All parts shipped insured at a charge of 5 cents extra.

IMPORTANT:

No replacements made unless regular claim is entered on form provided for that purpose by all authorized dealers or service stations. ALL DEFECTIVE PARTS MUST BE RETURNED WITH CLAIM FORM PROPERLY FILLED IN, TRANSPORTATION PREPAID, before any replacements will be made. All prices are subject to change without notice.

Care of Motors When Used in Salt Water

- Regardless of the material used in the construction of an outboard motor, it will corrode and tarnish to a certain extent when used in salt water. It is of importance, therefore, to adhere closely to the following instructions if you want to receive the most from your motor.
1. Remove the motor from the boat when it is not in service.
 2. Flush out the cooling system as soon as possible.
 3. Rinse off thoroughly with fresh water.
 4. Wipe dry with a cloth.
 5. Go over all the bright parts with an oily cloth, especially if the motor is to be stored for any length of time.

Warranty

All Johnson Motors (racing models excepted) are warranted to be free from defects in material and workmanship under normal use and service, our obligation under this Warranty being limited to making good at our factory in Waukegan, Illinois, any part or parts thereof which shall, within three months after date of delivery to owner, be returned to us with transportation charges prepaid, and which our examination shall disclose to our satisfaction to have been thus defective, this Warranty being expressly in lieu of all other warranties and representations, express or implied, and of all other liabilities in connection with the sale or use of our outboard motors.

This Warranty shall not apply to any outboard motor which shall have been repaired or altered outside of the factory in any way so as in our judgment, to affect its stability or reliability, nor which has been subject to misuse, negligence or accident.

CLAIMS MUST BE ENTERED ON ALL RETURNED GOODS

Regular claim forms are provided all our dealers, service stations and distributors. All claims must be entered on this form, No. SE-16, before parts are returned to factory. No part will be replaced unless this form is used. See your dealers for claim form.

All material—motors or parts—be returned to your nearest service station or dealer—TRANSPORTATION CHARGES PREPAID.

REMEMBER—ALWAYS request a claim form and properly fill it in before returning any material to our service station or distributor.

WARRANTY DOES NOT APPLY TO RACING MOTORS

Due to the excessive strains and stresses placed upon motors when used for racing, all Johnson motors of racing model or all other models when used for racing are sold with the distinct understanding that they are not guaranteed in any manner, and Johnson Motors does not assume any responsibility for injury or damage sustained from their use thereof.
